Wisbech and Fenland Museum offers practical workshops and object handling sessions for Key Stage 1 and 2 in:

- Egyptians
- Archaeology
- Romans
- The Dark Ages
- Thomas Clarkson and the Transatlantic Slave Trade
- Local History: Wisbech Town & Port
- The Fens and Farming
- The Victorians
- Life before electricity for Key Stage 1
- The History of Toys
- World War II

The above list can be combined with a new Using the Museum for Creative Writing Workshop

Most themes are available on a half or full day basis & can be modified to suit the specific needs of your school.

Cost; £3 per child, accompanying adults free.

Outreach is also available for local schools at £75 half day and £100 a day.

If you have two classes doing the same topic, I can spend two hours with one class in the morning and the same in the afternoon with the other class.

It may also be possible in small schools to cover two different topics for example the Victorians and the History of toys or life before electricity for Key Stage 1, the Romans and Archaeology.

To find out how we can help, please contact Sara Hawkes at Wisbech & Fenland Museum on 01945 583817

or Mobile 07769953911 or home 01945 450545.

If you wish to use the museum in self led activity, you are free to do so *but* please contact the museum to make sure that it is not being used by another school.

It may be possible, in some areas, for me to prepare worksheets connected with the above themes and our displays or a general museum trail for you to photocopy and use.

Loan Boxes are also available at the cost of £5 for a two week period on the following themes;

- **Romans**
- **Victorians**
- **Toys**
- **World War II**
- **The Slave Trade**
- **Geology**
- **Fenland Farming**
- **The Fens**
- **Shopping**

(The Egyptian loan box can only be accompanied by myself during outreach sessions)
